

Are you noticing changes?

- Misplacing things?
- Changes in personality?
- In your mood or behavior?
- Can't find the right words?
- Poor or decreased judgment?
- Disorientation to time or place?
- Difficulty performing familiar tasks?
- Difficulty making change or reading a clock?

If you said **“yes”** to any of these,
you may need some peace of mind... now you can get a

FREE, confidential memory screening!

* done in the privacy of your home

* takes less than 15 minutes
